Charting the LifeCourse with Darcy Elks from the PA Family Network

Together we will see how the Lifecourse Framework can be used to think about the big vision for a good life and tools to focus on life domains such as transition, employment, community living, safety and security, citizenship and advocacy. This is ODP's sponsored program for living your best life.

Thursday, February 21st 6:30pm-8:00pm

Planning for Children and Adults with Special Needs, Randi Hope Steen, Esquire of Law Offices of Randy Hope Steen, Ltd.

Discuss the importance of planning for children and adults with special needs, from appropriate Wills, Special Needs Trusts, the differences between Powers of Attorney and Guardianship, the choices we have to make as our children turn 18 and become emancipated, the importance of SSI, MA and why this is the gateway to the adult service world!

Thursday, March 21st 6:30pm-8:00pm

Managing Challenging Behaviors Led by Kaleidoscope's own Clinical Development Director, Jordan Hollander, M.Ed., BCBA, this workshop will focus on effective techniques and tools to help you begin the process of managing any behaviors and/or actions that may be challenging for your child with autism or developmental disabilities. Jordan will provide an overview of Applied Behavior Analysis (ABA) and provide some simple examples of how to implement positive changes that meet your child's needs.
